# BEND 16 MM

Robust bend for cable protection that is clamped outside the straight protection, which facilitates installation significantly. All cable protection components are surface treated with Magnelis, a cutting-edge metallic coating suitable for even the most hostile environments, extremely effective in corrosion protection and last but not least — a significantly reduced impact on the environment. In addition to bends, T-crosses, feet and end caps are available that together create a stylish and uniform installation.

Art. code:	0666910
Diameter	16 mm
Weight	58 g
Quantity per pack	20
Bend	16mm

Technical information

|	
Diameter	16 mm
Length	135 mm
Width	135 mm
Height	18 mm
Quantity per pack	20 pcs
Material	Magnelis
