

BEND 28 MM

Robust bend for cable protection that is clamped outside the straight protection, which facilitates installation significantly. All cable protection components are surface treated with Magnelis, a cutting-edge metallic coating suitable for even the most hostile environments, extremely effective in corrosion protection and last but not least – a significantly reduced impact on the environment. In addition to bends, T-crosses, feet and end caps are available that together create a stylish and uniform installation.

Art. code:	0666912
Diameter	28 mm
Weight	120 g
Quantity per pack	15 pcs
Bend	28mm
