

COUPLING 22 MM

Robust connector with recessed design to ensure a smooth transition and seamless joints. Easily mounted using a Pmflex quick fastener positioned underneath the raised section. Surface-treated with Magnelis® and approved according to corrosion class C5 – ideal for Nordic climates and marine environments. Magnelis® also features a unique self-healing capability on drilled holes, weld seams and cut surfaces.

Art. code:	0665088
Diameter	22 mm
Quantity per pack	30 pcs
