

END 22X500 MM

Robust end cap for cable protection, clamped outside the straight protection, which facilitates installation significantly. All cable protection components are surface treated with Magnelis, a cutting-edge metallic coating suitable for even the most hostile environments, extremely effective in corrosion protection and a significantly reduced impact on the environment. In addition, T-crosses, feet and bends are available, creating a stylish and consistent installation.

Art. code:	0666951
Diameter	22 mm
Quantity per pack	100 pcs
