

FLEXIBLE BEND 22 MM

Robust flexible cable protection that can be bent in the length direction up to 180 degrees. All cable protection components are surface treated with Magnelis, a cutting-edge metallic coating suitable for even the most hostile environments, extremely effective in corrosion protection and a significantly reduced impact on the environment. In addition, bends, T-crosses, feet and end caps are available, creating a stylish and consistent installation.

Art. code:	0665873
Diameter	22 mm
Quantity per pack	20 pcs
