

FOOT 22 MM

Robust cable protection foot for, among other things, floor penetrations that are mounted on top of the straight protection, which simplifies installation significantly. All cable protection components are surface treated with Magnelis, a cutting-edge metallic coating suitable for even the most hostile environments, extremely effective in corrosion protection and last but not least – a significantly reduced impact on the environment. In addition to feet, there are also T-crosses, bends and end caps that together create a stylish and uniform installation.

Art. code:	0666931
Diameter	22 mm
Weight	62 g
Quantity per pack	20
Foot	22mm
