

T-CROSS 22X135 MM

Robust T-piece for cable protection that is clamped on top of the straight protection, which simplifies installation significantly. All cable protection components are surface treated with Magnelis, a cutting-edge metallic coating suitable for even the most hostile environments, extremely effective in corrosion protection and last but not least – a significantly reduced impact on the environment. In addition to T-crosses, there are also feet, bends and end caps that together create a stylish and uniform installation.

Art. code:	0666921
Diameter	22 mm
Weight	67 g
Quantity per pack	20
T-cross	22mm
